Tower Hill Barns

INVITATION

Meet the team

Our team of staff will be on hand to give you a tour of the venue, show you the facilities and discuss your business or event requirements.

Behind the scenes tour

As part of the huge renovations that have taken place at Tower Hill Barns, a new state of the art biomass heating system has been installed by local business AW Renewables.

We are giving you the opportunity to see the installation, see how it works and meet Ashley from AW Renewables who will be giving talks on the latest renewable energy systems for businesses of all sizes.
